

CANTEEN POLICY

PURPOSE:

To reinforce and promote healthy eating patterns that contributes to the academic, physical and mental growth of students.

BROAD GUIDELINES:

It is important that students have access to nutritious and enjoyable food choices. In line with our nutrition policy, the canteen will support staff and students with healthy food choices. The policy will be implemented by:

- Our canteen supervisor who is responsible for ordering of foods, providing a volunteer roster for help in the canteen, supervision of helpers on canteen day.
- Maintenance of food safety and hygiene standards.
- Promotion of healthy foods and beverages.
- Involvement from whole school community.

IMPLEMENTATION:

- Canteen policy to complement school Nutrition Policy.
- Classroom links and cooperation to be encouraged as required.
- A menu will be developed and maintained which will take into account the promotion of healthy food choices and the restriction of unhealthy food choices.
- Confectionery high sugar drinks, crisps and fried food will not be sold from the canteen.
- A canteen supervisor will oversee the implementation of our weekly canteen.

- The school canteen will operate each Friday
- Orders must be placed online through QuickCliq by 8.00pm Thursday.
