

## 3-6 Learning Community

In the 3-6 learning community there has been a lot of excitement about returning to school for term 2! Our first week back has been filled with lots of different events that have helped us celebrate and learn some different things. On Tuesday we all attended the Colac school's ANZAC day service. It was a fantastic time to see all the other schools together and commemorate a very special day for us as Australians. We all had a great adventure walking down to the Memorial Square and it was great to see our School Captains go up and lay a wreath at the Shrine.

On Wednesday we had a great opportunity to talk with one of our local police officers to help us learn about the consequences of different actions or choices we might make that could get us in trouble. We also learnt how we can make better choices to help us avoid getting into trouble at school or with the police. The students were very excited to talk with Terry and had lots of questions about his job and what he gets up to at work.
